Team 101-3 Meeting Minutes

Meeting Number: 10

Meeting Date: 4/22/2019

In Attendance: Brenda, Ryan, Travis, Grey, Yang

12 - 12:10: Reviewing the presentation

- Made some small changes to slides
    a. Added pictures, removed one slide
- Discussed the presentation in general
    a. What the format will be, when we can expect to go (likely third?), etc

12:10 - 12:25: Run through the presentation

- Each team member speaks their part as if we were actually giving the presentation
- Also time the presentation to ensure it's of the proper length

12:25 - 12:35: Run through the logistics of how the live demo portion is going to work

- The code runs on Travis's computer, so we will use that
    ○ Still struggling to deploy to Heroku (Travis working on)
- Travis will get a USB-C to HDMI connector cable for Wednesday
- In the worst case scenarion, can run the app on Travis's computer and screen-share to Ryan's computer which has an HDMI port
    ○ Would use Zoom for this, which is free to CU students.
